

# Opti-Pak™ System

**The Opti-Pak System:** A disposable color-coded compliance package. The punch cards are available in 7/8 dose and 14/16 dose formats and are compatible with 3” medication cart drawers. The Opti-Pak is both tamper-evident and hygienic. The ability to automate the filling and sealing of the Opti-Pak product makes this system a viable compliance packaging solution for the pharmacy, home and resident.

## Automation

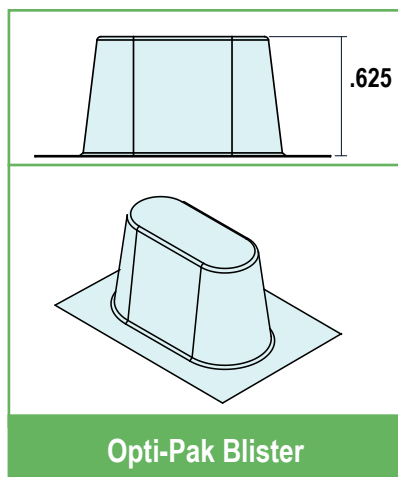

Opti-Pak can be packaged using MTS Automation:

MTS 350 ..... see page 82

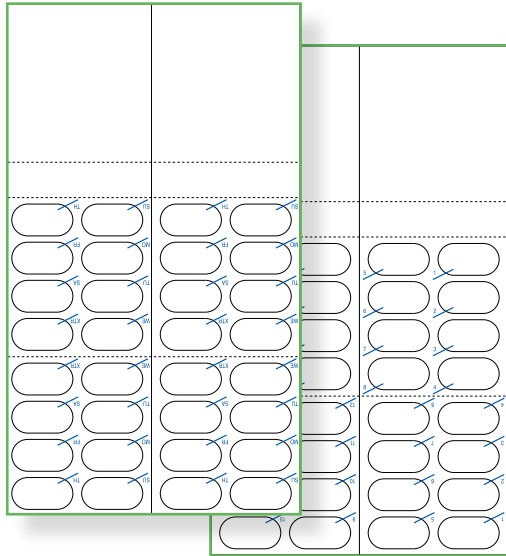

OnDemand® AccuFlex® ..... see page 90

## Blisters

Opti-Pak comes with a standard blister.
